Customer Comments Maintenance

To Do Customer Comments:

Do A "Change" On Customer Then Hit F6 On First Screen

Not ALL document types are used. Adding comments to document types like IVS, PKL, QTE are pointless and a waste of time.

H – Indicates Header (Prints BEFORE the items on the form)

T – Indicates Trailer (Prints AFTER the items on the form)

Y – Indicates comments exist on that particular form.

ACK	H	Acknowledgment	
ACK	T	Acknowledgment	Y
ARS	H	Accounts Receivable Statements
